

Liberal Studies emphasis: Geography

Select at least one course in each category and a minimum of 12 units.

Category A—Foundation Skills and Principles in Spatial Thinking	
GEOG 101	Our Physical Environment
GEOG 102	The Human Environment
GEOG 107	World Regions and Interrelations
Category B—Regional Interpretation	
GEOG 301	Bay Area Environments
GEOG 552	Geography of California
GEOG 575	Emerging China
Category C—Spatial Analysis and Current Affairs	
GEOG 421	Future Environments
GEOG 430	Transforming Food and Agriculture Systems
GEOG 432	Urban Geography
GEOG 445	Geopolitics and Globalization
GEOG 600	Environmental Problems and Solutions

Note: students wishing to get a minor in Geography would need only 3 additional courses: GEOG 103 (prereq: MATH 124) and two more upper division courses beyond the emphasis.
